

Conwy Valley Ramblers.

Walks prog Sec's report.

This years numbers are well down largely due to the virus problems we have all faced. However, up until the lockdown (March 19'th) we had 25 walks with a total of 270 walkers. (Additionally 3 were cancelled due to inclement weather.)

Following the easing of lockdown we have had 5 walks with a total of 70 walkers. We have only had 8 leaders for all the above walks. Total walks, 30 + 3 cancelled. Total walkers 340 Walking miles, 2143 .

Average walk attendance 11.3

Many thanks to those who have lead the walks and those who continue to come out with us.

NOTE THESE ARE UP TO SEPT 30, THERE SHOULD BE ONE FURTHER WALK PRIOR TO THE AGM THAT IS NOT IN THESE STATISTICS.

Andy Wilson
