

## CONWY VALLEY RAMBLERS LW02 MEMBERSHIP REPORT

### 1<sup>ST</sup> OCTOBER 2024 - 30 SEPTEMBER 2025

I have received a copy of the current Conwy Valley Membership list from Dave Collins by email on 28 September 2025.

The total membership at this time is slightly higher than 2024 and amounts to **242** compared to **225** in October 2024 – by calculation, this amounts to a nett change of **+17 members** including the 2 pending renewals awaiting payment.

Monitoring of **Facebook** in which potential new members are prudently assessed before being allowed access to the site currently amounts to **664 “Followers”!**

While this is another means of encouraging new membership and promoting our walks monthly, we need to continue to be diligent in who we permit access to in joining our Facebook Group and perhaps it's time to do a purge?

Membership Fees have been increased and are currently: -

£45 annual Individual (£3.75 monthly)

£61 Joint (£5.08 monthly)

£981 Life Individual or £1226.50 Jointly.

These are the rates to the end of September 2026.
